A-Z Diabetes Educator Boot Camp

April 3-7, 2017
East Carolina Heart Center at ECU

Jointly provided by
Brody School of Medicine at East Carolina University, Department of Endocrinology, &
Eastern Area Health Education Center Department of Nursing and Allied Health Education

ABOUT THE COURSE
The A-Z Diabetes Educator Boot Camp is a week-long, in-depth course designed to enhance the health care professional’s knowledge of diabetes and promote patient and family centered partnerships in self-management. Current diabetes guidelines and standards of practice and evidence-based strategies in Diabetes Self-Management Education (DSME) provide the foundation for the Boot Camp. This course will enable participants to more effectively facilitate behavior change in people with diabetes.

WHO SHOULD ATTEND?
Nurses, dietitians, health educators, nurse practitioners, physician assistants, pharmacists, and other health care professionals interested in helping people with diabetes achieve behavior change
OVERALL OBJECTIVES

- Describe the diagnosis and pathophysiology of diabetes type 1 and 2
- Identify the role of nutrition and oral health with diabetes treatment
- Explain blood glucose monitoring and pattern management
- Describe oral hypoglycemic agents, injectable medications and technology
- Review self-management tools and skills needed for people with diabetes
- Examine diabetes during stages of pregnancy and childhood
